

Mobilly for businesses

By signing a company contract, you will facilitate daily payments for your employees, as well as simplifying the accounting work – all services used will be combined in a single monthly bill.

Payment for parking spaces

Payment of short-term parking and/or purchase of subscriptions.

- Specify the employees and car plate numbers for which the service will be available.
- The possibility to limit the days and time during which payment from the company account is allowed.

Mobilly payments are available in more than 350 parking lots in Riga, Liepāja and other places in Latvia, as well as in the largest cities in Estonia.

Puto car wash facilities

By linking a company account, you will be able to keep track of all transactions and control the washing expenses of each car, as it is possible to specify in the app the plate number of the car washed.

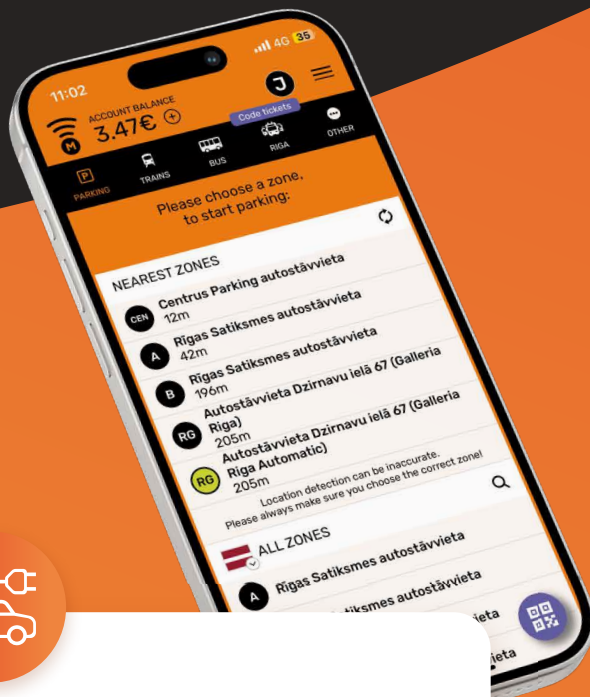

Mobilly e-charging

Pay for charging at more than 1043 charging stations in Latvia, Lithuania and Estonia. Eleport, "e-mobi" CSDD network stations, Ignitis ON, Virši, Energolukss, Elektrum Drive and other charging stations offered by public and private partners are available on the application, providing a wide charging network throughout the Baltics.

Jūrmala pass

If the employees of your company travel to Jūrmala regularly, we invite you to use our Jūrmala pass reserve payment system, which helps to avoid fines. If the pass is not purchased by the end of the day, Mobilly will purchase it for you. The service is provided with 95-98% accuracy.

Fast Track at Riga airport

The service provides quick access to security checkpoints at Riga airport. This way you can avoid queueing for the security check.

Event tickets with Mobilly

The possibility to purchase event tickets using Mobilly payments is also available for companies.

Public and intercity transport

If the employees of your company travel by train, bus or Riga public transport, they can easily make the payment using the Mobilly app. In the settings of the company account it is possible to specify the time periods when this service can be used.

How does the payment from the company account work?

Every Mobilly user with a linked company account while paying for the service has the option to choose the account they want to pay with – company or private. This means that the user does not need to do anything extra – simply select the service to be paid and choose the company account in the payment options section.
